GERRID GUST
**SEEKING THE
NOMINATION
FOR THE
SASKATCHEWAN
PARTY
ARM RIVER
CONSTITUENCY**

It has been my absolute privilege to serve Western Canadian farmers and farm families for the past 15 years. The skills learned and experience gained, while advocating and fighting for farmers will serve the constituents of Arm River well.

My wife Monica and I farm with my family in the Davidson district raising our 3 children on our fourth generation Saskatchewan farm. Along with being full time grain farmers, I have been very active in Agriculture policy circles. Campaigning for sound market based solutions, and championing behaviors that are good for families and the taxpayer.

As a Saskatchewan Party MLA. I promise to continue the good work of previous members, while bringing new solutions from the whole constituency. My 20 year history with the Davidson Kinsmen club has shown the importance of "Serving the community's greatest needs"

I've been active for over 15 years in agriculture policy groups campaigning for sound market-based solutions and policies that are good for Canadian farm families. I have:

- Presented on behalf of farmers in front of House of Commons, agriculture and finance committees.
- Been in the back rooms drafting suggestions for our politicians to ensure they enact good legislation.
- Taken our farmers concerns on missions to Africa and China.
- Met with officials at all levels of government to make sure we get policies and regulations that allow us to prosper in the future.

I'm running because I believe my experience gives me the skills to humbly serve my constituents:

- I'm a fiscal conservative.
- I believe in small government, personal responsibility and freedom.
- I know we need a healthy business climate and reasonable tax base to ensure strong public services and social programs.
- I believe in free trade and promoting new technology.
- I have been clear in my opposition to the Trudeau carbon tax and other programs.

I've been involved at the board level with both our local Sask Party and Conservative Party of Canada riding associations. I believe that with these experiences, I can truly represent the people of our constituency as your MLA.

COMMUNITY, INDUSTRY INVOLVEMENT AND ROLES

- Chair Western Canadian Wheat Growers (WCWGA)
- Vice Chair Saskatchewan Pulse Growers (SPG)
- Chair Ag sector team of Enterprise Saskatchewan
- Executive committee of Western Grains Research foundation (WGRF)
